Replies: 4 Views: 317	<p>Character bits taking live calls.. it wouldn't be "The Phil Hendrie Show" without it. With the exception of Art Bell of course, he's busy talking to Jameson. :lol: From 2007-2009 I might have listened 5 times, I'd like to forget that disaster. I don't mind if Phil has commentary now and th...</p>

1. George Carlin
2. Richard Pryor
3. Redd Foxx
4. Don Rickels

Anyone else can only dream of being as good.

Ok and maybe Gilbert Gottfried. 😊

I have to throw in the Art Bell - Mothership bit from 02-03-05. Basically, pigeons inform Gen. Jameson about the mothership's arrival, unfortunately fate had another plan for the good general. Only downside about the bit is it ends in a letter contest. That's a great one, the one with the stripper ...

I've been thinking about it.. but I have a problem giving a media company my credit card lol. I would like to check out the live video though. I might just use a prepaid visa if I get one. Even if file sharing wasn't available, I can always record the show live to my computer... or the really old sc...
